PERMISSION TO WALK TO HELLER HALL

Walking Permission

During the school year St. Joseph's Preschool has various events (ex: potlucks, holiday performances, pre-k graduation) that cannot be held in our building. We therefore utilize Heller Hall at St. James Catholic School to host these special events. On these occasions, teachers walk their classes from our building over to St. James, which is located down the street from our building. On such days the office knows where the class is walking to and the teachers have a phone with them at all times.

____ I give permission for my child to be walked over to Heller Hall.

____ I **do not** give permission for my child to be walked over to Heller Hall.

I have read, understand, and have indicated my wishes above.
